Summer Program Policies

Attendance

In order for the staff of the summer program to plan for an exciting and enriching program, it is necessary for attendance to be a priority for members. It is expected that if members register, they will attend 75% of the program. To be eligible for Fun-tastic Friday field trips members **must attend a minimum of 3 days a week with a maximum of 6 days missed** throughout the entire summer program. If members miss more than 6 days for reasons other than illness, they will be ineligible for any Fun-tastic Friday field trips following those 6 days. *Fun-tastic Fridays attendance not included in the 3day attendance minimum.*

Discipline

A serious discipline problem can lead to suspension or expulsion if a child is engaging in behavior which includes (but is not limited to) the following:

- **Dangerous** – causing purposeful, physical or emotional harm to themselves or others
- **Destructive** – destroying, damaging or defacing property
- **Disruptive** – interrupting the program so normal operation is not possible
- **Disrespectful** – repeated defiance/disrespect towards staff

We are committed to providing the best possible experience for your child at the Club. In order to ensure safety and maintain a positive environment, staff must use discipline procedures with members who exhibit inappropriate behavior. We reserve the right to suspend a child for disciplinary reasons. Other causes for suspension or removal from the program are defiance, failure by parents or children to comply with site policies, chronic late pickup, and failure to complete requirements for enrollment or other standards of policy. We are committed to ensuring a safe club for our members. Staff enforces policies which establish rules for appropriate member conduct. Bullying, cyber bullying, harassment, intimidation, hazing, other violence or threats of violence against students and staff, stealing, alcohol, tobacco and other drug use are all prohibited behaviors.

Attending the Boys & Girls Clubs of Geneva is a privilege.

We appreciate your support of our policies and reinforcement of our discipline at home.

I have read and understand the Summer Program Policies.

Summer Program Attendance Policy

In order for the staff of the summer program to plan for an engaging program, it is necessary for attendance to be a priority for students. It is expected that if students register, they will attend 90% of the program (18 out of 20 days). **If students miss more than two days for reasons other than illness, they may be dropped from the program.**
